## Traffic Marking Paint, T5220 and Glass Beads, T3450

Firm quantity contracts for the purchase of White and Yellow Traffic Paint in bulk and 55-gallon drums, and Glass Beads are issued in the month of **December** each year.

Prior to enacting the contracts, participating governmental units are surveyed to establish their traffic marking paint and glass beads requirements for the upcoming traffic-painting period. The survey, mailed in **August** of each year, consists of a CMS Memorandum explaining the major terms of the contract and the definite time for returning the enclosed Joint Purchasing Requisition Form.

The CMS Bureau of Strategic Sourcing and Procurement (BOSSAP) will mail the survey this month. **The completed Joint Purchasing Requisition Form must be returned by September 30, 2008.**

It will be the sole responsibility of the governmental unit to inform BOSSAP by the established deadline of its intention to participate in the purchase of Traffic Marking Paint and Glass Beads with the State. If you have not participated in these contracts in the past but would like to be added to the mailing list to receive the survey for Traffic Marking Paint and Glass Beads, please contact:
